Safety on board vessels fishing in the Convention Area

Species	all
Area	all

The Commission,

Recognising the difficult and dangerous conditions experienced in high-latitude fisheries in the Convention Area,

Further considering the remoteness of those waters and in consequence the difficulties of search and rescue response,

Desiring to ensure that the safety of fishing crews and CCAMLR scientific observers remains a priority concern of all Members,

Urges Members to take particular measures through, *inter alia*, appropriate survival training and the provision and maintenance of appropriate equipment and clothing to promote the safety of all those on board vessels fishing in the Convention Area.
